Per T.C.A. § 63-1-402(c), Medical doctors and osteopathic physicians who are board certified by the American Board of Medical Specialties (ABMS), American Osteopathic Association (AOA) or the American Board of Physician Specialties in one (1) or more of the following specialties or subspecialties do not have to complete the two (2) hour controlled substance prescribing course(s):

- i. Pain management;
- ii. Anesthesiology;
- iii. Physical medicine and rehabilitation;
- iv. Neurology; or
- v. Rheumatology.
